Mollie's Motel is a new concept by the Soho House Group, offering stylish accommodation at the heart of Enterprise City.

Mollie's offers a unique experience for Manchester, a space to meet, relax, stay and work.

COME ON IN

Arrive, relax, work, meet and greet. Mollie's Motel is more than just a place to stay, it's an environment to be savoured and explored. Check-in and relax at the bar, meet some friends, colleagues, or simply get down to some work.

SLEEP OVER

Bespoke rooms ranging in size, from cosy double rooms to interconnecting family rooms. All have Egyptian cotton sheets, rainforest showers and Cowshed products in the bathrooms. All rooms have keyless entry which is available through the Mollie's app.

CHOW DOWN

MOLLIE'S
MOTEL & DINER

Inspired by the classic American diner, choose from dishes including a Dirty Burger, mac & cheese or nachos, alongside cocktails, sodas and hand-spun milkshakes.

[STUDIO **GALLERIES**]

Creative spaces for modern working, spaces for modern socialising. Places of collaboration and innovation, from flexible floors to start-up studios, imagine a place that challenges your perceptions of the workplace.

It's working at OGS.

WORKSPACE DESIGN

Old Granada Studios is a historic and iconic piece of architecture. The legacy of filming at the studios will be continued and the OGS workspace provides a new innovative way of working.

Double-height workspace 'Gallery' spaces connected to create light and airy environments. Inspired by sci-fi cinema, technology and the environment to create a space that is clean, fresh and innovative.

OGS CUBE SPACE

A thriving workspace community will prosper and grow in Old Granada Studios, which has been designed to provide the perfect base for all businesses and start-ups to succeed; from co-working space and small suites to traditional workspaces.

CGI visual of OGS Cube Space.

A key driver has been to explore and develop the industrial language already established with the studio complex. The new addition of modular workspace will read clearly as a new element and they will express their own architectural program.
